This show takes you into the heart of a remarkable true story. Set in the week following the attacks on September 11, 2001, 38 planes were unexpectedly ordered to land and 7,000 stranded passengers found themselves welcomed into a small town in Newfoundland. “Cultures clashed and nerves ran high, but uneasiness turned into trust, music soared into the night, and gratitude grew into enduring friendships. This new musical was written by Tony® nominees Irene Sankoff and David Hein, and helmed by Tony-winning Best Director, Christopher Ashley. “It’s a cathartic reminder of the capacity for human kindness in even the darkest of times”.
